# Ivory Tower

performed by Waylon Jennings.

Verse 1:
**B E**
I've been a believer in many things
**F# B**
I've past a sign post or two
**E**
I never could see why the bad folks won't change

Or why the good ones want to

Everyone's left us alone to our ways
**F# B**
Thinking we might have been right
**E**
But i'm not so fond of this being alone
**F# B**
Especially this time of night

Chorus:
**E B**
Here we are in our ivory tower
**E B**
All our fears left behind
**E B**
Looking on down from our ivory tower
**F# B**
Like everyone else has lost their mind

Verse 3:
**B E**
I've tried to look to myself for my strength
**F# B**
Look to a song for release
**E**
Kept all the people i could at arms lentgh
**F# B**
The ones that i never could please

Verse 4:
**B E**
