Long Hard Road

key of d

D G D
way back in my memory theres a seen that i recall
A D
of a little run-down cabin in the woods
G D
where my daddy never promised that our blue moon would turn gold
A D
but he lay awake nights wishin that it would
G D
when the world was on our radio hard work was on our minds
A D
we lived our day to day in plain dirt fashion
G D
with ole overalls and cotton balls all strapped across your back
A D
man its hard to make believe aint nothin wrong

CHORUS:
Bm G
But momma kept the bible read and daddy kept our family fed
D A
And somewhere in between i must have grown
Bm G
cause someday i was dreamin that a song that i was singin
D A
takes me down the road to where i wanna go
G A D
now i know, its along hard road

(fiddle instrumantal 4 counts)

VERSE 2:
D G D
sometimes i remember when i stay up late at night
A D
when the sun-up came we got up and went
G D
in the shadows of a working day our moon-light hours spent
A D
singin songs along with grandmas radio
G D
now ive beaten down an old black-top road sleepin in a sack
A D
living in my memories all in vain
G D
