No Good For Me

Verse 1:
C/G G
She was a good looking woman no doubt
C/G
A high steppin' mover that men talk about

But everything bad in me
G
She brought it out
C/G
And she was just no good for me

Verse 2:
G
She was wonderfully wicked and wild

With the looks of a woman
C/G
And the ways of a child

She could twist me or turn me
G
With a look or a smile
C/G
And she was just no good for me

Chorus:
F
Don't be taken by the look in her eyes
C/G
If she looks like an angel

It's a perfect disguise
G
And for somebody else she may be
C/G
But she was just no good for me

Verse 3:
G
I'm just a fool for a looker i guess

When it comes to beauty
C/G
Lord knows she was blessed

I thought i could change her
