```
 A          D             A
 Love Is A burning thing
    A                 D      A
And it makes a firey ring
    A            D     A
bound by wild desires
  A              D       A
i fell into a ring of fire
```

CHORUS:

```
  E                D                 A
i fell into a burning ring of fire
      E                                        D               A
i went down, down, down, and the flames went higher
    A                                    D        A
and it burns, burns, burns, that ring of fire
 E             A
that ring of fire
```

VERSE 2:

```
 A                D       A
the taste of love is sweet
  A                    D      A
when hearts like ours meet
 A               D          A
 i fell for you like a child
 A               D            A
 oh, but the fire went wild
```
