Same Thing Happened To Me

(John Prine/Gary Nicholson)

E B7 E

E
Moonlight shining on the back of my hand
Cat Fight rattlin' the garbage can
A E
Looks like somethin' chased you up a tree
B7 E
Same thing, same thing happened to me

E
Wild wind blowing down the neck of my shirt
Old men sitting on a bench in the dirt
A E
Seems like another ship has gone out to sea
B7 E
Same thing, same thing happened to me

E A E B7 E

E
Shoe shine someone's got to tell ya the news
A fine line separates a boy from the blues
A E
Looks like you could use some company
B7 E
Same thing, same thing happened to me

E
Runnin', runnin' just as fast as I can
Someone, someone take a hold of my hand
A E
Looks like somethin' chased you up a tree
B7 E
Same thing, same thing happened to me
B7 E
Same thing, same thing happened to me
