F Bb
Satin sheets to lie on satin pillows to cry on
F C7
still I'm not happy don't you see.
F Bb
Big long Cadillacs tailor mades upon my back
F C7 F
Still I want you to set me free.

Bb
I've found another man who can give more than you can,
F C7
though you've given me every thing money can buy
F Bb
But your money can't hold me tight like he does
F C7 F
on a long, long night. You know you did't keep me satisfied.

We've been through thick and thin together
Braved the fair and stormy weather
We've had all the hard times, you and I.
And now that I'm a big success
You called today and you confessed
And told me things that made me want to die.

You told me there's another woman
Who can give more than I can,
And I've given everything that cash will buy.
You can't buy me a peaceful night
With loving arms around me tight
And you're too busy to notice the hurt in my eyes.
