Sing Along

Rodney Adkins

Capo 1

(verse 1)
D G D G
If you could read my mind, You might slap my face,
D G D
If you could see inside my heart you'd see it's in a right place,
D G D G
Just like, Bunnies in a bramble, Honey bees in a hive,
D G D
Where ever I'm beside you That's my paradise,
G
Might be a twisted way of saying I ain't riding no fence,
A
But I've been thinking bout you baby In a future tense Oh we'll take it,

(chorus)
D G
Slower than a broke knee turtle,
D G
We'll get tighter than your grandma's girdle,
D G
OH I want you I need you and I'll never do you wrong,
A
If you're feeling what I'm singing baby,
D G DG
Sing A long ong,

(verse 2)
Ain't no moonshine maker, ain't no man of the cloth,
Ain't no kangaroo lawyer, but I will get you off,
Cause anything worth doing is worth doing again,
And again and again and when hen hen We're dancing,

(chorus)
D G
Slower than a broke knee turtle,
D G
Gettin' tighter than your grandma's girdle,
D G
OH I want you I need you and I'll never do you wrong,
A
If you're feeling what I'm singing baby,
