Take A Look At My Heart

C
Well I know a guy that's got a lot to lose,
F
He's a pretty nice fella, kinda confused.
C
He's got muscles in his head ain't never been used,
G G7
He thinks he owns half of this town.

C
Well he starts drinkin' heavy, gets a big red nose,
F
Then he fights with his lady, until it shows.
C
He takes her out to dinner, and buys her new clothes,
G C
And that's the way that the world goes 'round.

Chorus:
C
That's the way that the world goes 'round,
F
You're up one day, the next you're down,
C
It's half inch of water, but you think you're gonna drown,
G7 C
That's the way that the world goes 'round.

I was sittin' in the bathtub, a-countin' my toes,
When the radiator broke, the water all froze.
I got stuck in the ice, without my clothes,
Naked as the eyes of a clown.

I was crying those ice cubes, hoping I'd croak,
When the sun came through the window, the ice all broke.
I stood up and laughed; I thought it was a joke,
That's the way that the world goes 'round.

Chorus.

Chorus.

Did you ever stand and shiver
While you were staring at a river?

That's the way that the world goes 'round. (repeat...)
