Thats How Much I Love You

D7
If I had a nickle, Let me tell you what'd I do
I'd spend it all for candy, And I'd give it all to you
G **D7**
I'd spend it all for candy, And I'd give it all to you
A
'Cause that's how much I love ya, honey
G **D7**
That's how much I love you

If You were a horse-fly, And I an old grey mare
I'd set and let you bite me, And I'd never move a hair
I'd set and let you bite me, And I'd never move a hair
'Cause that's how much I love ya, honey
That's how much I love you

If you were a tiger, I'd hang around your den
I'd pester you my darlin', until you let me in
I'd pester you my darlin', until you let me in
'Cause that's how much I love ya, honey
That's how much I love you

Now if you want to marry, just let me tell you what
I'll go and find the preacher, so he can tie the knot
I'll go and find the preacher, so he can tie the knot
'Cause that's how much I love ya, honey
That's how much I love you

'Cause that's how much I love ya, honey
That's how much I love you
