The Gold Rush Is Over

Recorded by Hank Snow
Words and music by Cindy Walker

CHORUS
G
Oh! the gold rush is over so honey bye-bye
C **G**
Stake out your claim now on some other guy
D7
I've wined you and dined you till my money is gone
G **D7** **G**
But the gold rush is over and the bum's rush is on.

G
Now when I had the money honey, things were just fine
C **G**
You spent my money like I was a mine
D7
But now you mistreat me 'cause my money is gone
G **D7** **G**
So gold- diggin' Mama, you can start moving' on.

You shoveled out the sweet talk when the pay dirt was big
But now all you shovel out is just a dirty dig
Well, stop digging honey 'cause you're wasting your time
This old gravy train is at the end of the line.

CHORUS

You've been out prospecting all around on the side
But this old mule now, has had his last ride
So start walkin' woman 'cause your grubstake is gone
The gold rush is over and the bum's rush is on.
