Till I Can Make It On My O

G D C G
I'll need time to get you off my mind
C
And I may sometimes bother you
G
Try to be in touch with you
D G
Even ask to much of you from time to time

G D
Now and then
C G
Lord you know I'll need a friend
C
Till I get used to losing you
G
Let me keep on using you
D G
Till I can make it on my own

G D
I'll get by
C G
But no matter how I try
C
There'll be times you know I'll call
G
Chances are my tears will fall
D G
And I'll have no pride at all, from time to time

G D
But they say
C G
Oh, there'll be a brighter day
C
But till then I'll lean on you
G
That's all I mean to do
D G
Till I can make it on my own

Bridge:
C G
Surely someday I'll look up and see the morning sun
C D
Without another lonely night behind me
