Walk On Out Of My Mind

written by Red Lane
performed by Waylon Jennings

```
          A
I hear the echo of your footsteps
They're right in step with marchin' time
              D                  A  G          A
Since you've  walked out of my life,  out of my world
G                           A
Please walk on out of my mind
```

Verse 2:
I know you're hidin' there in the darkness
& it's got me runnin' scared & blind
Since you've walked out of my life, out of my world
Please walk on out of my mind

```
            D                      E
You've got footprints all over my mem'ries
D                      E
 I must erase them if I can
          D                                E
You keep stumblin' through my hopes & dreams
D                       E
Pickin' 'round my future plans
```

Verse 3:
You've got me walking 'round in circles
Lookin' for somethin' I'll never find
Since you've walked out of my life, out of my world
Please walk on out of my mind
