G CC7
Down the hall upstairs from from me
G CC7
There's a girl I swear I never see
G CC7
I hear the ringing of her phone
G CC7
She must live up there all alone
G CC7
She hangs her clothes out on the line
G CC7
They're hanging there right next to mine
G CC7
And if the wind should blow just right
G CC7
She could be in my arms tonight

All together - we're all alone
F G
We are the lonely - all together
F G
All together - we're all alone
