Little White Road, The-crd
by Donovan

(Standard Tuning)

```
Am              C/B  C    C/D   C   C/B     Am
Oh the little white road climbs over the hill
Am             C/B    C    C/D   C   C/B     Am
My feet they must follow, they cannot be still
Am             C/B    C    C/D   C   C/B     Em
Must follow and follow though far it may roam
Am             C/B    C    C/D   C   C/B     Am
Oh little white road will you never come home
```

Oh, the hills they are patient and steadfast and wise
They look over the valleys and up to the skies
But the little white road scrambles up them and over
Oh, little white road you are ever the rover

I fain would go with you right down to the sea
Where a ship with white sail would be waiting for me
Go sailing and sailing to strange lands afar
Where deserts and forests and lost cities are

But when I grew weary of my gypsy ways
I'd sail home again for to end all my days
In the little grey cottage, beside the grey hill
But you, little road, would be wandering still
