No Hunger
by Donovan

No hunger
No thirst
No disease
No pain
No poverty
Or loss
No loneliness
Again

No tragedy
No grief
No sorrow
Relief
No eagering
In power
No poisoning
The flowers

Boys and girl
In every land
Go hungry even now
In long lines they stand
Food is burned to balance banks
Taxes go to purchase tanks
Sorrow for so many, joy for few
They need you
What can you do?

No hunger
No thirst
No disease
No pain
No poverty
Or loss
No loneliness
Again

No hunger
