Mandy

Mandy

Mandy was a little Bahama girl
Mandy was a little Bahama girl

Mandy, oh my Mandy, Mandy mine

Met a little girl in Chickacherry
Said she'd love no one but me

Married my Mandy on a Saturday night
It was the best night of my life

Mandy had a little baby
Had a baby just for me

Baby make my Mandy cry
Cry so hard she sure to die

Lord he take my Mandy from me
Take my Mandy away from me

Mandy was buried beneath Bahama sands
With my wedding ring on her hand

we sang this in Girl Scouts
