Be Magnified

```
          Em                  D                    Am7Bm
I have made You too small in my eyes
     C          D          EmD
Oh Lord forgive me
       Em             D          Am7G/B
And I have believed in a lie
       C                 D            G
That You were unable to help me
      G          Am    G/B  C                G/B
But now oh Lord I   see my wrong
Am          D            Em                  D
 Heal my heart and show Yourself strong
G                      G/B    C
 And in my eyes and with my song
G/B  Am         D       Em         C          D             G
Oh   Lord be magnified, Oh Lord be magnified

    G          Am    G/B  C  G
Be magnified oh   Lord
Am          G           F       CD
  You are highly exalted
Bm7               Em            C            B
  And there is nothing you can't do
Am   D            Em              D
  Oh Lord my eyes are on You
     C     D       Em   C           D             GC9GC9
Be magnified, Oh Lord be magnified
```

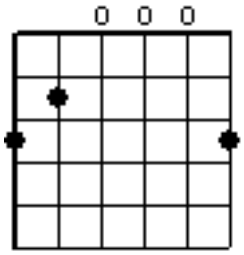

I have leaned on the wisdom of men
Oh Lord forgive me
And I have responded to them
Instead of Your light and Your mercy
But now oh Lord I see my wrong
Heal my heart and show Yourself strong
And in my eyes and with my song
Oh Lord be magnified, Oh Lord be magnified
