```

You're powerful, so powerful
risen Lord, exalted evermore.
You're powerful, so powerful,
exalted King, I lift my voice and sing.

Lord you're powerful to me
and your kingdom is all I wanna see.
Lord you're powerful to me
and your kingdom is all I wanna see.

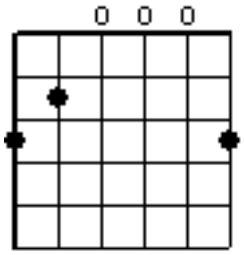

You're glorious, so glorious
Holy One, the only perfect son.
You're glorious, you're glorious,
your kingdom reign will never ever end.

Lord you're glorious to me,
and your praises are all I wanna sing.
Lord You're glorious to me
and your praises are all I wanna sing.
