Don't Fail To Go Through
Old Gospel Song

1. We read of a mansion awaiting the blest
That Jesus has gone to prepare.
No pain in our bodies, our souls will have rest,
But what if we fail to get there?

CHORUS:
Don't fail to go through, (don't fail to go through)
Don't fail to prepare. (Don't fail to prepare.)
If we miss Heaven we're sinking too low
Don't fail in this life to make ready to go,
What if we fail to get there?

2. Our friends and our loved ones are waiting for me
That precious old mother so fair.
It seems I can see her with Jesus today
But what if I fail to get there?
