In The Darkest Night
Old Gospel Song

1. There have been times in my life when I felt all alone
My burden was heavy, night was dark and, oh so long.
But in the deepest despair, I call His name and He was there.
Yes, He always gives a song in the darkest night.

CHORUS:
In darkest night He gives me joy deep inside
I found the peace that nowhere else I'll ever find.
He drew me out of many waters and in Him I safely hide.
Oh, He always gives a song in the darkest night.

2. When the waves of death compass me and floods of men make me afraid,
In my distress, I call on Him, He helps me through,
And even in the midnight hour, I know He has heard my prayer,
Yes, He always gives a song in the darkest night.
