Somewhere In The Middle - song lyrics

Somewhere In The Middle
Casting Crowns

Somewhere between the hot and the cold
Somewhere between the new and the old
Somewhere between who I am and who I used to be
Somewhere in the middle you'll find me

Somewhere between the wrong and the right
Somewhere between the darkness and the light
Somewhere between who I was and who you're making me
Somewhere in the middle you'll find me

Just how close can I get Lord to my surrender
Without losing all control

Fearless warriors in the picket fence
Reckless abandon wrapped in common sense
Deep water faith in the shallow end
We are caught in the middle

With eyes wide open to the differences
The God we want and the God who is
But will we trade our dreams for his
Or are we caught in the middle
Are we caught in the middle

Somewhere between my heart and my hands
Somewhere between my faith and my plans
Somewhere between the safety of the boat on the crashing waves
Somewhere between a whisper and a roar

Somewhere between the altar and the door
Somewhere between contented peace and always wanting more
Somewhere in the middle you'll find me

Just how close can I get Lord to my surrender
Without losing all control

Fearless warriors in the picket fence
Reckless abandon wrapped in common sense
Deep water faith in the shallow end
We are caught in the middle

With eyes wide open to the differences
The God we want and the God who is
But will we trade our dreams for his
Or are we caught in the middle

Fearless warriors in the picket fence
Reckless abandon wrapped in common sense
Deep water faith in the shallow end
We are caught in the middle

Lord I feel you in this place
And I know you're by my side

Loving me all even on these nights

When I'm caught in the middle
Caught in the middle
