Dm             G       C
The first time ever I saw your face,
Am                             Em   F
I thought the sun rose in your eyes.
                     C              G
And the moon and the stars were the gifts you gave
       Bb                    C
To the dark and the endless sky.

The first time ever I kissed your mouth,
I felt the earth move in my hand,
Like a trembling heart of a captive bird,
That was there at my birth.

And the first time ever I lay with you,
I felt your heart so close to mine.
And I knew our joy would fill the earth
And last 'til the end of time.

Dm                     C   Dm  G  C
The first time ever I saw your-- face.
