I Thought About You-Sinatra Frank

```
C          B7        E7
I took a trip on a train

A9      D9                  Am7    D9
And I thought about you;

C#m7-5       Bm7-5      Em   E7
I   passed a shadowy lane

         Am                 Gm7   C7
And I thought about you.

F             Am7          Dm7-5       Fm7
Two or three cars parked under the stars,

   C   G7     C   C/B
A wind-ing stream,

Gdim          B7       Cdim          B7
Moon shining down on some little town

     Em        Edim       Dm7        G7
And with each beam, the same old dream.

C           B7            E7
And every stop that we made,

A9       D9                  Am7      D9
Oh, I thought about you;

C#m7-5       Bm7-5      Em
But I pulled down the shade

E7      Am                  Gm7    C7
Then I really felt blue.

  F                     Am7    Dm7-5          Fm7
I peeked through the crack, looked at the track,

    C           F7       D9  Cdim
The one going back to you,

First Time:

    Dm7        Dm7-5 G7     Fdim          C   Am7   Dm7   G7
And what did I do?      I thought about you.

Last Time:

    Dm7       Dm7-5 G7       Fdim         C   Am7  Fm7   Dm7   C
And what did I do?      I thought about you.
