I'm A Fool To Want You-Billie Holiday

```
B7    Cdim    Em9   Em   B+   Em7
I'm a fool to want you,

      E7-9     Am       Am+7
I'm a fool to want you,

   A9   Am C   Em              Gdim   Edim
To want a love   that can't be true,

              C7   Edim            B7
A love that's there  for oth - ers too.

B7    Cdim    Em9   Em   B+   Em7
I'm a fool to hold you,

       E7-9     Am       Am+7
Such a fool to hold you.

    A9  Am C   Em              Gdim   Edim
To seek a kiss    not mine a - lone,

           Bm7-5      B7         Em   Em7
To share a kiss that Devil has known.

Bridge:

Am      Am+7    D9  D7             G9         G6
Time and time again    I said I'd leave you;

Am      Am+7    D9  D7          G9   G6
Time and time again    I went away.

    Am                   B7               Em        Em+7   Em7
But then would come the time when I would need you,

    Edim              C7            B7
And once again these words I had to say,

 B7     Cdim    Em9   Em   B+   Em7
Take me back, I love you;

    E7-9    Am       Am+7    Cdim
Pity me, I need you.

             Em   B+             Gdim  Edim
I know it's wrong,   it must be wrong,

              B7      C7         B7       Em       B+  Em7  Em6  Em9  Em
But right or wrong, I can't get along without you.
