```
E D9                Bm7    E    D                Bm7     E
I looked at you and suddenly, something in your eyes I see

D9           Bm7-5      E  E7
Soon begins bewitching me.

          A          A9             Am    Am+7     Am7
It's that old devil moon That you stole from the sky,

          C7         A   B7       E
It's that old devil moon in your eyes.

Bm7-5          E     D9           Bm7 Fdim          E
You and your glance make this romance too hot to handle;

 AM7        C#m7-5  AM7         F#7   AM7           B7
Stars in the night blazin' their light can't hold a candle

A        F#7    B7
To your razzle dazzle.

E      D9             Bm7      E   D           Bm7    E
You've got me flyin' high and wide on a magic carpet ride,

D9           Bm7-5     E  E7
Full of butterflies inside;

       A         A9             Am   Am+7    Am7
Wanna cry, wanna croon, wanna laugh like a loon --

          C7         A   B7             E
It's that old devil moon in your eyes.

Bm7-5          E      D9         E
Just when I think I'm free as a dove,

Fdim       E    D9           E     B7             E
Old devil moon deep in your eyes blinds me with love.

(Instrumental Interlude -- First 2 Lines of Verse)
