     G                    D                                D7        G
1. As young love for you, she told me that you was too young,
                 G7                      C                       G          D7
G
    I wish, the Lord, that Id never seen your face, Im sorry you all was
born.

G              D        D7        G
Irene good night, Irene good night,
               G7             C                D      D7       G
good night Irene, good night Irene, Ill see you in my dreams.

    G                           D                        D7      G
2. Sometimes I lives in the country, sometimes I lives in town,
          G7                          C              G            D7        G
    sometimes I have the great notion to jump in into the river and drown.

G              D        D7        G
Irene good night, Irene good night,
               G7             C                D      D7       G
good night Irene, good night Irene, Ill see you in my dreams.

          G                      D                              D7    G
3. Stop rambling and stop gambling, quit staying out late at night
                         G7              C               G             D7
G
    go home unto your wife and your family, stay down by the fireside
bright.

G              D        D7        G
Irene good night, Irene good night,
               G7             C                D      D7       G
good night Irene, good night Irene, Ill see you in my dreams.

    G                       D                                  D7        G
4. I loves Irene, God knows I do, loves her till the sea runs dry,
   G7                  C                              G          D7         G
    if Irene turns her back on me, I'm gonna take morphine and die.

G              D        D7        G
Irene good night, Irene good night,
               G7             C                D      D7       G
good night Irene, good night Irene, Ill see you in my dreams.
