TAKE HER OUT OF PITY-crd
Kingston Trio

C Am F G7

```
   C                Am              F               G7
1.)I had a sister Sally She was younger than I am
2.)We had a sister Sally, She was ugly and misshapen
C               Am              F        G7
Had so many sweethearts she had to deny them
By the time she was sixteen years old she was taken
C                   Am
But as for sister Sarah
By the time she was eighteen
F                    G7
You know she hasn't many
A son and a daughter
C                      Am                F             G7
And if you know her heart she'd be grateful for any
Sarah's almost twenty nine never had an offer
CHORUS:
G7        C          Am           F           G7
Come a landsman, a pinsman, a tinker or a tailor,
C            Am         F           G7
Doctor, a lawyer, a soldier or sailor
   C             Am           F           G7
A rich man, a poor man, a fool or a witty
       C                Am
Don't let her die an old maid
     F                  G7
But take her out of pity

ENDING:
       C                 Am              F                D9
Don't let her die and old maid but take her out of pity
```
