**A Christian band from far and near**

**A Christian band
from far and near,
We meet to learn
of Jesus here;
To read His Word,
whose ev'ry line
Is filled with hope
and joy divine.**

**May our Endeavour Band,
Now gathered in His name,
United heart and hand
Go forth to spread His fame!
Then firmly let us stand,
For God and native land,
And pray that He may bless
And keep our Christian band.**

**We gather here,
where all may sing
Glad songs of praise
to Christ our King:
Where youthful hearts
may find the way,
That leads to life
and endless day.**

**May our Endeavour Band,
Now gathered in His name,
United heart and hand
Go forth to spread His fame!
Then firmly let us stand,
For God and native land,
And pray that He may bless
And keep our Christian band.**

**The Master's work
we'll still pursue,
And here again
our pledge renew,
To follow Him,
to trust His love,
Till gathered home
with Him above.**

**May our Endeavour Band,
Now gathered in His name,
United heart and hand
Go forth to spread His fame!
Then firmly let us stand,
For God and native land,
And pray that He may bless
And keep our Christian band.**
