Alleluia Jesus saves me

**Hallelujah! Jesus saves me;
Oh, the sweet and precious story!
I will give Him all the glory,
And adore His love to me.**

**From oppression
He hath bought me;
From its bonds has set me free;
I will praise Him for His mercy;
Grace Divine my song shall be.**

**Hallelujah! Jesus hears me;
When in prayer
His throne addressing,
While in faith I seek His blessing,
Then His smile revealed I see.**

**From oppression
He hath bought me;
From its bonds has set me free;
I will praise Him for His mercy;
Grace Divine my song shall be.**

**Hallelujah! Jesus leads me;
I will doubt His promise never,
But believing, follow ever
Him who gave His life for me.**

**From oppression
He hath bought me;
From its bonds has set me free;
I will praise Him for His mercy;
Grace Divine my song shall be.**

**Hallelujah! Jesus keeps me;
In the Rock He safely hides me,
Ev'ry comfort He provides me,
never friend so dear as He.**

**From oppression
He hath bought me;
From its bonds has set me free;
I will praise Him for His mercy;
Grace Divine my song shall be.**
