Beautiful star of promise

**Beautiful star of promise,
Beautiful morning star;
Beaming with joy and gladness
Over the world afar.**

**Smile on me, smile on me,
Beautiful, beautiful morning star;
Smile on me, smile on me,
Beautiful morning star.**

**Beautiful star of promise,
Beacon of hope and rest:
Lighting the couch of sorrow,
Soothing the weary breast.**

**Smile on me, smile on me,
Beautiful, beautiful morning star;
Smile on me, smile on me,
Beautiful morning star.**

**Beautiful star of promise,
Shining when waves are dark;
Into its long-sought haven
Guiding the lonely bark.**

**Smile on me, smile on me,
Beautiful, beautiful morning star;
Smile on me, smile on me,
Beautiful morning star.**

**Beautiful star of promise,
Star of eternal love;
Thou wilt conduct me safely
Home to the realms above.**

**Smile on me, smile on me,
Beautiful, beautiful morning star;
Smile on me, smile on me,
Beautiful morning star.**
