For Thy goodness O my Saviour

**For Thy goodness, O my Saviour,
I would praise Thee o'er and o'er;
May the Holy Spirit teach me
How to love Thee more and more.**

**More and more,
more and more!
Oh to love Thee, Saviour,
more and more!
More and more,
more and more!
Oh to love Thee, Saviour,
more and more!**

**For the blessings that surround me,
Lord, Thy mercy I adore;
For Thy care so deep and tender,
I would love Thee more and more.**

**More and more,
more and more!
Oh to love Thee, Saviour,
more and more!
More and more,
more and more!
Oh to love Thee, Saviour,
more and more!**

**Raging tempest, rolling billow,
Thou hast brought me safely o'er;
Thou has led me, safely led me,
And I long to love Thee more.**

**More and more,
more and more!
Oh to love Thee, Saviour,
more and more!
More and more,
more and more!
Oh to love Thee, Saviour,
more and more!**

**Till my journey here is ended,
Till I reach the heavenly shore,
This my earnest supplication
That my soul may love Thee more.**

**More and more,
more and more!
Oh to love Thee, Saviour,
more and more!
More and more,
more and more!
Oh to love Thee, Saviour,
more and more!**
