He lives and loves our Saviour King

**He lives and loves, our Saviour King;
With joyful lips your tribute bring;
Repeat His praise, exalt His Name,
Whose grace and truth are till the same.**

**His mercy flows, an endless stream
To all eternity the same;
To all eternity, to all eternity,
To all eternity the same.**

**His hand is strong, His word endures,
His sacrifice our peace secures;
From sin and death He doth redeem,
His changeless love be all our theme.**

**His mercy flows, an endless stream
To all eternity the same;
To all eternity, to all eternity,
To all eternity the same.**

**Each day reveals His constant love,
with "mercies new" from heav'n above;
Through ages past His Word has stood;
Oh, taste and see that He is good!**

**His mercy flows, an endless stream
To all eternity the same;
To all eternity, to all eternity,
To all eternity the same.**
