Press onward press onward

**Press onward, press onward,
and, trusting the Lord,
Remember the promise
proclaimed in His Word;
He guideth the footsteps,
directed the way,
Of all who confess Him:
believe and obey!**

**Believe and obey, believe and obey!
The Master is calling
no longer delay!
The light of His mercy
shines bright on the way
Of all who confess Him:
believe and obey.**

**Press onward, press onward,
if You would secure
The rest of the faithful,
abiding and sure;
The gift of salvation
is offered today
To all who confess Him:
believe and obey.**

**Believe and obey, believe and obey!
The Master is calling
no longer delay!
The light of His mercy
shines bright on the way
Of all who confess Him:
believe and obey.**

**Press onward, press onward,
your courage renew;
The prize is before you,
the crown is in view;
His love is so boundless,
He'll never say Nay,
To those who confess Him:
believe and obey.**

**Believe and obey, believe and obey!
The Master is calling
no longer delay!
The light of His mercy
shines bright on the way
Of all who confess Him:
believe and obey.**
