Sowing to the Spirit Sowing day by day

Sowing to the Spirit,
Sowing day by day,
Dropping seeds of kindness
All along the way;
Sowing to the Spirit,
Trusting in the Lord,
Sweet will be our labour,
Blessed our reward.

Sowing, till in beauty
Fades the setting sun;
Weary not, nor falter
Till the work is done.

Sowing to the Spirit,
Praying as we go;
From the seed we scatter
Soon the blade will grow;
Sowing and believing,
God will send the rain,
We shall see before us
Fields of golden grain.

Sowing, till in beauty
Fades the setting sun;
Weary not, nor falter
Till the work is done.

Sowing to the Spirit,
Though our faith be small;
Sowing in our weakness,
Though the tears may fall;
Sowing late and early,
'Till our work is o'er,
Then will come the reaping,
Joy for evermore.

Sowing, till in beauty
Fades the setting sun;
Weary not, nor falter
Till the work is done.
