Killy Kranky

Killy Kranky

Killy Kranky is my song, sing and dance it all day long.
From my elbow to my wrist. Now we do the double twist.

cho:
Broke my arm, broke my arm
A-swingin' purty Nancy
Broke my leg, broke my leg
A-dancin' Killy Kranky!

Killy Kranky is my song, sing and dance it all day long.
From my wrist down to my knee. Now we'll wind the grapevine tree.

cho:

Killy Kranky is my song, sing and dance it all day long.
From my knee down to my toe. How much furder can you go?
