THE BISMARCK GUARD.

We are two German mens,
We yust arrived to-day,
Und while we've got a chance
Addention to us pay.
We're a part of the Bismarck Guard,
Und of bier we get our fill;
Und before we're going to schtart,
We're going to have a drill.

Chorus.
One, two, three, four,
Now watch us when we pass dot door;
Oh, de girls say we look nice,
Of course, we don't doubt dot;
Und we'd long ago have a prize,
If we was only fat.
We're a part of the Bismarck Guard,
Und of bier we get our fill;
Und before we're going to schtart,
We're going to have a drill.

In Germany we was grand,
Dat's where we got good bier;
We was sometimes Litunant,
Und sometimes Offizier.
But soon we will return
Und leave you here alone;
For you know dot our hearts does burn
To see our German home.-Chorus.
