```
C                            G7
Freight train, freight train goin' so fast.
G7                           C
Freight train, freight train goin' so fast.
Am                   F
Please don't tell what train I'm on,
         C          G7         C
So, they don't know where I've gone.

Freight train, freight train comin' 'round the bend.
Freight train, freight train gone again.
One of these days I'll turn that train around
And go back to my hometown.

One more place I'd like to be,
One more place I'd like to see
Watch those Blue Ridge Mountains climb
When I ride Old Number Nine.

When I die please bury me deep;
Down at the heart of Chestnut Street
So I can hear Old Number Nine
As she goes rolling by...
