I stuck my head in a little skunk's hole

```
      A
Oh, I stuck my head In a little skunk's hole,
        D
And the little skunk said, Upon my soul,
        A                              E7
Take it out!  Take it out!  Take it out!
  A
Remove it.

      A
Oh, I didn't take it out, And the little skunk said,
        D
If you don't take it out, You'll wish you were dead.
        A                              E7
Take it out!  Take it out!  Take it out!  Psssst.
    A
