As he was walking up the street,
The city for to view,
O there he spied a bonnie lass,
The window looking through.

Saw light's he jumped up the stair,
And tirled at the pin;
And wha sae ready as hersel
To let the laddie in.

He set his Jenny on his knee,
All in his Highland dress:
For brawly weel he kend the way
To please a bonnie lass.

It's up yon heathery mountain,
And down yon scraggy glen,
We daurna gang a-milking
For Charlie and his men.
