Cripple Creek

```
G               C         G
I got a gal and she loves me,
         D7                  G
She's as sweet as sweet can be.
                  C    G
She's got eyes of baby blue,
                   D7          G
Makes my gun shoot straight and true.
```

Chorus:

```
G          C7
Goin' down Cripple Creek,
G
Goin' in a run,
           C7
Goin' down Cripple Creek
G       Am   G
To 'ave some fun.
```

I got a beau and he loves me,
He's as sweet as sweet can be.
He's got eyes of darkest brown,
Makes my heart jump all around!
