I wish to the Lord that train would come, (3 times)
To take me back to where I come from.

It's once my apron hung down low, (3 times)
He'd follow me through sleet and snow.

It's now my apron's to my chin, (3 times)
He'll face my door and won't come in.

I wish to the Lord my babe was born,
A-sitting on his papa's knee,
And me, poor girl, was dead and gone,
And the green grass growing over me.
