My home's across the Smokey Mountains,

My home's across the Smokey Mountains,

And I'll never get to see you any more, more, more,
G7 C
I'll never get to see you any more.

Goodbye honey, sugar darlin', (3 times)
And I'll never get to see you any more, more, more,
I'll never get to see you any more.

Rock my baby, feed her candy, (3 times)
And I'll never get to see you any more, more, more,
I'll never get to see you any more.
