Soup Song

Maurice Sugar / Tune: My Bonnie Lies Over The Ocean

```
    G           C             G
I'm spending my nights in the flop house,
                             D7
I'm spending my days on the street,
    G           C           G
I'm looking for work but I find none,
  C          D7           G
I wish I had something to eat.
```

Chorus:

```
       C           D7                 G
So-up, so-up, they gave me a bowl of soup, soup, soup,
       C           D7                 G
So-up, so-up, they gave me a bowl of soup.
```

I spent twenty years in the factory,
I did everything I was told.

I went down to draw out my money
And this is the answer I got.

I thought that my country would help me,
I went out to bleed and to die,
I fought in the war for my country,
But this was my country's reply:
