Sweet Adeline

Richard H. Gerard and Harry Armstrong

```
       G              C            G
In the evening when I sit alone a- dreaming
   E7        A7            D7    G
Of days gone by, love, to me so dear,
D7        G               C             G
There's a picture that in fancy oft' ap pearing,
       E7       A7               D7       G
Brings back the time, love, when you were near.
              G7     C          Cm      G
It is then I wonder where you are, my darling,
    A7                                 D7
And if your heart to me is still the same.
        G                C              G
For the sighing wind and nightingale a- singing
    E7        A7        D7        G
Are breathing only your own sweet name.
```

Chorus:

```
G     A7  D7  G     B7  C
Sweet Ade lin e, My Ade line,
A7        D7                    G
At night, dear heart, for you I pine.
D7        G             B7       C
In all my dreams, your fair face beams.
C#dim7     G      E7    A7           D7  G
You're the flower of my heart, Sweet Ade line.
```

I can see your smiling face as when we wandered
Down by the brookside, just you and I.
And it seems so real at times till I awaken,
To find all vanished, a dream gone by.
If we meet sometime in after years, my darling,
I trust that I will find your love still mine.
Tho' my heart is sad and clouds above are hov'ring
The sun again, love, for me would shine.
